Don't Just Take Our Word For It...

Shannon Ebron

Director of School Nutrition Services
Richmond City Public Schools

"The innovation at AmTab always blows my mind. They are the experts at what they do inside the cafeteria!"

Jennifer Davis

Director of Food and Nutrition Services
Kern High School District

"AmTab makes you more aware of what you are getting, the different options as well as the quality of furniture."

Aaron Smith

Director of Nutrition Services
Seattle Public Schools

"There's endless possibilities with AmTab to transform your cafeteria!"

Anthony McDaniels

Director of Child Nutrition
Upshur County Schools

"I had no idea what all went into making a cafeteria table. Being able to have any symbols or graphic designs we would like on the actual table, really cleans up the spaces we will use them in and inspires school spirit. It's not just tables, it's an organization that cares about their products. I cannot recommend AmTab enough!"

Shonia Hall

Executive Director of School Nutrition Services
Oklahoma City Public Schools

"I am so proud of the new cafeteria. The project turned out amazing, and the students absolutely love their new space!"

Joe Urban

Founder and President
School Food Rocks

"AmTab doesn't just create tables; they transform dining spaces for K-12 programs. With a keen eye on aesthetics and functionality, they elevate the entire dining experience, making it more inviting and ultimately increasing meal participation."

WHAT WE ACCOMPLISH TOGETHER

FURNITURE AND SIGNAGE GRAPHICS DECOR

All AmTab products and services are thoughtfully designed to create inspiring learning environments that positively shape the student experience. Our solutions encourage greater engagement and participation in school nutrition programs while supporting healthy eating habits, social-emotional development, and meaningful social interaction. Together, these elements help foster a welcoming sense of community and contribute to environments where students feel connected, supported, and ready to learn.

HEALTHY EATING AND IMPROVED NUTRITION

Deliver your modernized food menu options in a beautiful K-12 food court. Our innovative approach transforms school dining areas into engaging spaces, promoting improved nutrition and fostering a culture of health through fun and popular design.

SOCIAL-EMOTIONAL DEVELOPMENT AND BUILDING COMMUNITY

Create cafe spaces that offer nourishing meals while promoting a sense of belonging and social-emotional well-being by fostering comfort and community where everyone feels welcome.

TRAFFIC FLOW EFFICIENCY AND LINE MANAGEMENT

Encourage your students to participate and enjoy healthy school meals with speed of service. Our design team is dedicated to crafting spaces that optimize dining experiences, promote quicker access to healthy meals, and enhance the overall food court traffic flow.

INCREASE PROFITABILITY AND DISTRICT REVENUE

Consistently maximize school and district revenue year-over-year encouraging students and staff to remain on campus for meals rather than choosing off-campus alternatives.

INCREASE PARTICIPATION

Serve your students in a modern, popular, and fun K-12 Food Court to increase participation. Introducing new furniture, vibrant signage, captivating graphics, and appealing decor is a key strategy to boost school nutrition participation.

**Let's make your K-12 Dining Commons,
Food Courts, and Food Halls
Modern, Popular, and Fun!**

BEFORE

Case Study: Atlantic Coast High School

Atlantic Coast High School was struggling to get students into their cafeteria. The space felt outdated, the furniture was plain, and seating options were limited. The school knew that to re-engage students, they needed a bold transformation.

By reimagining the cafeteria with a modern, restaurant-style design, updated furniture, and inviting spaces for socializing, Atlantic Coast High School created a vibrant environment that students love. Here are some of the highlights and results from this project:

- Increased school nutrition participation by 25%
- Designed the café as a versatile space that can serve multiple purposes throughout the day

Duval County Public Schools

AFTER

- Added new wall decor, paint, and signage to schools cafe
- Introduced flexible and dynamic furniture that can easily be stored
- Reduced cleanup time for custodial staff and school employees
- Enhanced the student experience, encouraging them to spend more time in the cafe

BEFORE

Case Study: Riverside High School

Riverside High School was in urgent need of a cafeteria modernization. With old, worn-out tables and a dated aesthetic, the café no longer appealed to students, and participation numbers were declining—both due to the space itself and off-campus dining options. The school set out to re-energize the cafeteria into a modern, popular, and fun dining commons that students would enjoy and be proud of.

Some of the highlights and results of this project include:

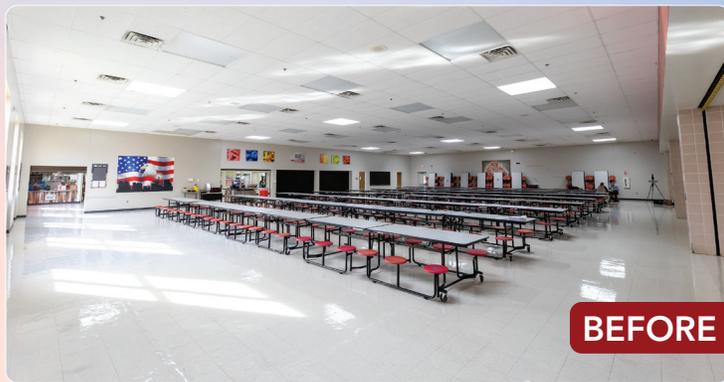

- Increased school nutrition participation by 25%
- Introduced modern, flexible furniture and seating options to enhance comfort and functionality

Ysleta Independent School District

AFTER

- Added new wall decor, paint, and signage throughout the school's café and food service areas
- Streamlined cleanup processes, reducing time and effort for custodial staff
- Created an inviting space where students want to spend more time

Case Study: Claremore High School

At Claremore High School, upperclassmen were frequently leaving campus for lunch, a trend driven by outdated furniture, limited seating options, and a bland, uninspiring dining environment. Recognizing the need to re-excite students and create a more inviting space, the school undertook a comprehensive café modernization. Some of the project highlights include:

- Increased school nutrition participation by 22%
- Included new custom café furniture as well as new café wall decor, paint, and signage specific for an enhanced retail dining experience
- Increased overall student participation, school spirit, and community pride

Claremore Public Schools

AFTER

- Reduced the financial and resource burden for the facilities and maintenance departments
- Assisted the food service department in complying with federal regulations limiting net cash resources for the nonprofit NSLP program

Case Study: Windsor High School

Windsor High School was struggling to draw students into its cafeteria. The space felt dull, outdated, and uninviting, which discouraged students from staying on campus for meals. To address this, the school launched a project to transform the cafeteria into a warm, modern, and inviting environment where students could enjoy their meals comfortably and socialize with peers. Some of the project highlights include:

- Increased school nutrition participation by 28%
- Included new custom and modern café furniture, attracting more students to the new food court
- Fostered a positive, welcoming culture inside the food court
- Positioned the school to compete with off-campus dining

Windsor Southeast Supervisory Union

AFTER

- Added mobile furniture to allow custodial staff to move items easily, streamlining cleanup and maintenance
- Assisted the food service department in complying with federal regulations limiting net cash resources for the nonprofit NSLP program

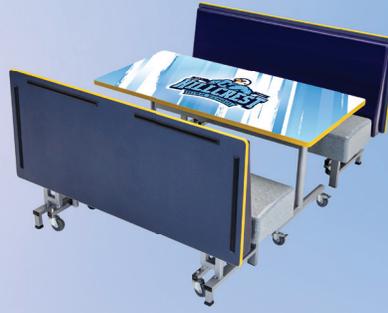

Award-Winning Furniture

Choosing the right furniture is at the heart of a successful food court modernization. Furniture doesn't just fill a space—it shapes how students gather, interact, and enjoy meals, both indoors and outdoors. At **AmTab**, all of our furniture is 100% made in the USA, combining durability, thoughtful design, and high-quality craftsmanship. With extensive options for colors, logos, and configurations, our solutions allow schools to create spaces that are both functional and visually engaging. From sturdy indoor food court seating to weather-resistant outdoor courtyard solutions, **AmTab's** furniture is built to last while creating inviting, comfortable spaces for students to eat, socialize, and relax. By integrating new furniture throughout your dining areas, you can transform your cafeteria into a cohesive, modern K–12 Dining Commons that inspires student engagement, supports staff, and becomes a space the entire school community can enjoy.

AmTab Return On Investment

King Middle School was looking to make a change in their food court. Before modernizing their furniture with **AmTab** they were having a difficult time getting students to participate in both breakfast and lunch. In order to compliment the amazing food the nutrition team were serving, they recognized that they needed to create a modern, popular, and fun environment for their students.

SCHOOL IMPACT

1

336 students are starting their day with a nutritious breakfast, an impressive **111% INCREASE** (previously 159 students).

2

536 students are now eating a healthy lunch, an impressive **30% INCREASE** (previously 412 students).

3

Positive **social-emotional development** is nurtured and **building community** with everyone is prioritized.

4

Happy Neurochemicals including Oxytocin, Dopamine, Endorphins, and Serotonin support well-being, learning, and overall health. These benefits are enhanced by the new physical environment and positive student experiences.

5

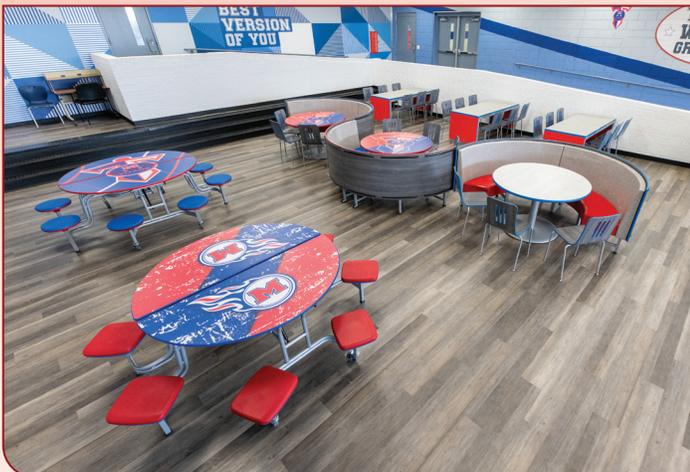

After modernizing, this school receives an extra **\$19,800** each month in school meal reimbursements.

Chris Minor

Food Service Director
Mercer County Schools

"The new food court redesign at King Middle School has been an all around a win-win for Mercer County Schools!"
